International Airfare - Canada to/from Europe	The cost of our private journeys are quoted without international air between Canada and Europe. We do this because some guests may wish to use frequent flyer points to obtain their airline ticket or they may wish to use a different airline or a different routing from the rest of the group. The cost of an air ticket can vary widely depending on the actual dates of travel, your choice of airline and your choice of booking class. The least expensive fares are generally available to those who book early. Air bookings are available about 11 months before departure date. TrailFinders' staff are experts in international air selection and we would be pleased to work with you on your international travel arrangements. If you choose to do your air yourself, please check with us prior to pushing the button.	Cost depends on your departure city, airline, travel dates, classes, seat availability and hub choice. Please call us for assistance.
Travel Insurance	Travel Insurance medical coverage is mandatory for all guests on our Private Journeys. If you already have your own insurance, you will be required to show proof of coverage. As well, we continue to highly recommend that each guest have adequate Trip Cancellation and Interruption insurance. Guests who choose not to purchase this coverage will be required to sign a waiver to that effect. In line with insurance company rules, all trip cancellation and interruption insurance premiums are payable <u>at time of deposit and booking</u>. Medical insurance premiums (if required) may be paid at the same time (in the case of a packaged insurance policy) or any time prior to departure if done as a separate policy. Premiums vary with the age of the insured and the duration of the trip. Our website includes our recommended link to insurance quotes from Manulife. Since foreign ground handlers, transport providers and hotel companies may or may not have adequate insurance coverage for serious injury or death of foreign travellers in case of accidents or local events, we highly recommend that you cover yourself for these eventualities by having a reputable Canadian insurance policy. Please read the TrailFinders terms and conditions since they contain clauses that limit our liability during the tour.	Cost of insurance premiums vary with age of passenger and amount of coverage. Travel Medicine Considerations	We usually recommend that guests on most of our journeys visit a reputable travel medicine clinic at least one month before departure, however, the Balkans are extremely healthy, so you may decide to skip this. Up to you!	Cost can vary depending on actual vaccines required.

Other drinks – Beer, wine, whiskey, fruit juices and soft drinks are available everywhere. Laundry - We travel light and we usually have the hotel do a little laundry about every five days. Personal Tips	TrailFinders handles the tips for the group as described previously. But there may be times when you will be expected to tip someone who performs a personal service for you.
